EDUCATION

- **Moscow Institute of Physics and Technology** — Moscow, Russia
  Bachelor of Phystech School of Applied Mathematics and Computer Science — *Sept. 2019 - Aug. 2023*

TEACHING EXPERIENCE

Moscow Institute of Physics and Technology — Moscow, Russia
- *Assistant in MIPT Math Olympiad School* — *June 2021 - Present*

  Algebra | Combinatorics | Geometry | Number Theory

PROJECTS

- **Breakout Game** — Moscow, Russia
  Python | PyGame — *February 2021 - May 2021*

  Wrote a simple implementation with Python 3 and PyGame of the classic Breakout game. The purpose is to serve as a demo game for a series of a series of articles on building games with Python 3 and PyGame.

ACHIEVEMENTS

- **Junior Balkan Mathematical Olympiad**: Silver medal, June 2015
- **International Zhautykov Olympiad**: Bronze medal, January 2017
- **National Olympiad of Tajikistan**: Gold medal, May 2017
- **India International Mathematical Competition**: Gold medal, July 2017
- **International Zhautykov Olympiad**:Gold medal, January 2018
- **International Mathematical Olympiad**: Bronze medal, July 2018

PROGRAMMING SKILLS

- **Languages**: C/C++, Python.
- **Technologies**: SQL, Git, LaTeX.
- **Knowledge**: Algorithms, Data Structures.
